Project Presentation & Review: Faculty Portfolio Management System (FPMS)

Mentored student team Thanushree S [4MH23IS109], Vijith Kumar R N [4MH23IS119], and Vikas U S [4MH23IS120] presented their institutional web application architecture for automated accreditation documentation, mentor allocation, and portfolio...

Institutional Governance

Single-department scoped administration for staff designations, mentor-mentee quotas, and RBAC rules.

Balanced Mentor Allocation

College-format 2-column mentee rosters distributing 2nd, 3rd, and 4th year student cohorts evenly.

Academic Portfolios

Verified records for Scopus/WoS publications, Indian patents, FDPs, and awards with document evidence.

Appraisal & Circulars

Official circular distributions with document attachments and duration-based visibility controls.

Campus Announcements & Academic Feed

Approved research achievements, conferences, and institutional notices from MIT Mysore.
